

OHS POLICY

We are committed to deliver **ZERO ACCIDENT** to our People and Property together with our Business Partners in compliance to applicable Customer as well as Regulatory, Statutory and Legal Requirements and in coordination of the needs and expectations of internal and external interested parties.

Objectives

- Work Life Balance
- Health and Wellness
- Safety Consciousness

Commitment

- 2GO is committed to ensure that all its personnel observe Occupational Health & Safety policies for the provisions of safe and healthy workplace and prevention of injury and ill health in consultation and with participation of its workers.
- The Company shall develop, implement, and maintain an Occupational Health & Safety Management System which shall include relevant procedures and operational work instructions and shall monitor adherence thereto.
- It shall also assess the occupational Health & Safety hazards and risk in any changes we intend to introduce in advance and address with urgency all non-conformities and incidents about any breach of our Occupational Health & Safety Policy.
