ENVIRONMENTAL POLICY

2GO Group Inc. believes that businesses are responsible for achieving good environmental practices and operating in a sustainable manner.

We are therefore committed to reducing our environmental impact and continually improving our environmental performance as an integral and fundamental part of our business strategy and operating methods.

It is our priority to encourage our customers, suppliers, and all business associates to do the same. Not only is this sound commercial sense for all; it is also a matter of delivering on our duty of care towards future generations.

Our policy is to

- Wholly support and comply with or exceed the requirements of current environmental legislation and codes of practice

- Consider the needs and expectations of internal and external interested parties as input to the Environmental Management System (EMS)

- Consult and involve its workers on the improvement of the EMS

- Minimize our waste and then reduce, reuse, recycle or repurpose as much of it as possible for the protection of the Environment

- Minimize energy, water, and fuel usage in out buildings, transportation, and processes as well as use of other natural resources, especially where they are non-renewable

- Apply the principles of continuous improvement in respect of air, water, noise, and light pollution from our premises and reduce any impact from our operations on the environment and local community

- As far as possible, purchase products and services to the least impact/damage to the environment and encourage others to do the same

- Assess the environmental aspect and impact of any changes we intend to introduce in advance

- Ensure that all employees understand our environmental policy and conform to the high standards it requires

- Address with urgency all non-conformities and incidents about any breach of our Environmental Policy to the satisfaction of all concerned

- Update our Environmental Policy annually in consultation with the 2GO Group Inc. associates and customers
